DONATION DESIGNATIONS EXPLAINED

Donations to OAC Ministries can be earmarked for specific purposes, such as funding our staff, ministries, administration, and varying projects.

Staff Support - Staff support donations are earmarked toward that staff member's salary. For many of our staff members, the more support they receive, the more work they're able to do with OAC.

Operating Support - These funds are used for the general operating costs within a region or for OAC as a whole, including the expenses for ministry and operating the organisation.
